

SEA COLLEGE OF ENGINEERING & TECHNOLOGY, BANGALORE:

Respected Sir/ Madam,

Greetings from Tata STRIVE and Anudip Foundation for Social Welfare.

Since its very initiation in the December of 2015, the partnership between Tata Communications Ltd and Tata STRIVE has been a successful one— especially towards impacting the goal of skilling underprivileged youth. However, with over 12 million youth entering the workforce every year, clearly more needs to be done.

The significance of intervening across the entire value chain of skill development for better impact was much felt by both the partners and accordingly, the scope of partnership has been further extended to include development of new courses, broaden the skill development stakeholder reach, i.e. include other skill development institutes, colleges etc.

“Institute Enrichment Programme (IEP) IGNITE in Engineering Colleges” will be implemented under the CSR Initiative of Tata Communications Ltd.

We are glad to inform you that Anudip Foundation for Social Welfare and Tata STRIVE (Tata Community Initiatives Trust) are stepping forward on a new initiative namely, **“Institute Enrichment Programme (IEP) IGNITE in Engineering Colleges”**. We would request you to take a look at the following pointers involved in the project-

The program includes unique and job-orientated courses which are a blend of domain (developed and designed by Anudip) and soft skill courses (Youth Development Module – YDM by Tata STRIVE) focusing on inner transformation and employability. It would also aid in certifying and placing the students from the shortlisted engineering colleges in Chennai, Bengaluru and Hyderabad in the year 2020 – 21. The program seeks to make a future-ready workforce of the students, while providing them a market-aligned industry-relevant training (Cyber Security with Ethical Hacking and Web Designing)

TCIT has been set up by Tata Sons to execute its group CSR Programme including environmental services, community services (which includes disaster response and Group Focus Initiatives). In keeping with the core Tata values, various Tata companies have invested significantly in initiatives aimed at improving the quality of life of the communities they serve, both at the grass-root level as well as by building institutions of national importance. Tata STRIVE, is the skill

1. Rating is based on the scale of 1 to 5, where 5 is the highest.
2. Each parameter is assigned a weightage basis their level of importance.
3. Actual weightage is calculated based on the rating percentage of that parameter.
4. Do not make any changes in the form. Drop down for Rating Scale from 1 to 5 is assigned to each parameter
5. All fields are mandatory. Sub Parameter Rating (column E) & Actual Weightage (Column F) are auto populated.
6. TS to proceed further, if the Overall DD rating is above 70%

Parameters	Allocated Weightage	Sub-Parameters	Sub Parameter Rating Scale	Sub Parameter Rating %	Actual Weightage	Indicators/Guidelines
Institute's Overall Background	20%	Admission cut-off for students	4			Category: 40%-50% = 5 51%-60% = 4 61%-74% = 3 >75% = 2
		Course Fees for Students	2			Rate higher if the fees are less.
		Similar Courses offered by Institute	5	60%	12%	No. of Courses: No similar course = 5 If more courses are offered rating will be low
		Institute placement record	2			Rate higher if the placement record is low
		Recognition to Institute	2			Rate higher if the Institute is recognised recently
		Total Rating	15			

Students Background	15%	Reservations - SC/ST, Minority, OBC, Open	3			SC/ST/Minority Higher >50% = 5 40%-49% = 4 30%-39% = 3 <30% = 2
		Students working	2			Rate higher if maximum students are not working
		Type of Learner i.e., First Generation or Second Generation	3	87%	13%	Rate higher if maximum students are first generation learner
		Students failing - APJ/BPL	5			Rate higher if maximum students are from BPL
		Total Rating	13			

Institute's Commitment	30%	Involvement of Principal	5			Rating to be ascertain basis the response given by Principal
		Involvement of SPOC	4			Rating to be ascertain basis the response given by SPOC
		Willingness of Institute	5	85%	26%	Rate higher if Institute is willing to run TS programme
		Timing given for TS programme	3			Rate higher if suitable time is allocated to TS programme
		Total Rating	17			(the gap between last lecture & TS programme should not be more than 1 hour)

Institute's Infrastructure	35%	Auditorium/Seminar hall available	5			Rate higher if auditorium/seminar hall is sufficient to accommodate the target audience
		Dedicated classrooms available	5			Rate higher if college has assigned classrooms as per TS specification
		Computer Lab with Internet connectivity	5	100%	35%	Rate higher if college has assigned sufficient computers with internet connective
		Projector in Classroom	5			Rate higher if projector is in good working condition
		Branding permission granted	5			Rate higher if branding is allowed as per TS specification
		Total Rating	25			

Overall Rating

85%

Subject: Collaborating with Tata STRIVE to conduct "Campus Training for final year students" at SEA College of Engineering & Technology.

Tata STRIVE, the skill development initiative of Tata Trusts under *Tata Community Initiatives Trust* addresses pressing need of skilling India's Youth for Employment, Entrepreneurship and Community Enterprise.

Tata STRIVE develops courses which are in sync with the current market demand and industry requirement and looks to cater the entry level job roles.

Its holistic approach is to skill youth, enable and empower them to be more industry and job ready, which further bridges the gap of being educated but unemployed.

Tata STRIVE is keen to partner with your esteemed educational institution in this unique and empowering journey.

Tata STRIVE proposes to run **252 hrs (210 hrs Domain, 42 hrs YDM) programme** for the following target group.

- For students who are in final year of graduation

About Cyber Security & Ethical Hacking and Web Designing course (Domain Training)

Both the courses are developed by Anudip Foundation in collaboration.

About Tata STRIVE – Youth Development Modules (Life Skills Training)

The Tata STRIVE Programme seeks to develop youth holistically, by focusing on the connection between the Head-Heart-Hand. Through this program, experiences are created for beneficiaries to realize their values, beliefs and potential.

TATA COMMUNITY INITIATIVES TRUST

Registered Office
C/o. Tata Services Ltd Jeevan Bharti Tower I, 10th Floor, 124 Connaught Circus,
New Delhi - 110001, Tel. No: 23327072
(Registration No. 997 of 23SEP2014 at New Delhi; PAN AACTT4708J)

Tata STRIVE shall ensure Training and Certification of the youth and seeks the support of the college in following solicited areas.

- a. Assigning a single point of contract (SPOC) from Institute supporting Tata STRIVE team for executing the programme.
- b. Access to student data those students who are currently in the final year of graduation of the college.
- c. Mobilization of final year students
- d. Dedicated classroom/hall- 1/2 nos. with 35 student seating capacity
- e. Projector/LCD/LED Screen and White Board
- f. Access to Computer Lab with at least 8 computers with internet connection
- g. Basic infrastructure (Wash rooms, Drinking Water and Electricity)
- h. Support in ensuring mandatory student attendance for the proposed course (Minimum 80% as per Tata STRIVE requirements)
- i. Space with high visibility for branding.
- j. Placement details of students completing certification for post-placement tracking.

This Letter of Intent (LOI) is valid for a period of One Years from the date of signing, after which all terms & conditions governing this LOI shall be void unless revised or extended.

Looking forward to working with your esteemed educational institution for a larger goodwill of Empowering Youth with the Right Skills and a Bright Future.

Thanking you,

For

Report on the Food Safety Day

An event on "Food Safety Day" was organized by Department of Electronics and Communication Engineering, S.E.A College of Engineering and Technology, Bangalore on 07th June, 2023. The event was conducted in ECE Seminar Hall, S.E.A College of Engineering and Technology from 01.30pm. The event was arranged for all the department students of SEACET. Events arranged are Quiz, Cooking without fire and Poster Presentation with theme Food Safety. Nearly 55 students participated in the event. The function was presided by Dr.Bhagavanth K Deshpande, Director, SEACET and Dr.B.Venkatanarayana, Principal, SEACET and Dr. Pradeep Kumar N.S., HOD, ECE, SEACET.

About Event:

S.E.A College of Engineering and Technology

Affiliated to VTU, Belagavi and Approved by AICTE, New Delhi and Accredited by NAAC
Ektha Nagar, Near Ayyappa Nagar Circle, Devasandra Main Road, K.R.Puram ,Bangalore-49

Department of Electronics and Communication Engineering

Organizes

An Event on

"World Food Safety Day"

In Association with IQAC and IIC

Safer food,
better health

On 07th June 2023
at 01:30PM

Venue: ECE Seminar Hall

PRINCIPAL

S.E.A College of Engineering & Technology
Ektha Nagar, Basawanapura,
Virgo Nagar Post, Bangalore - 560049.

Objective of the Event:

The core objective of this event is to raise awareness for safety food. Highlighting food safety challenges globally. Uniting efforts for safer food. Creating awareness about Proper storage, temperature control, and handling prevent bacterial growth. Thorough cooking kills pathogens and reduces food borne illness risks. Clean surfaces, utensils, and equipment prevent cross-contamination and maintain safety. Education, inspections, and consumer awareness contribute to overall food safety.

Insights from the Event:

Dr.Bhagavanth K Deshpande, Director, SEACET and Dr. Pradeep Kumar N.S., HOD, ECE, SEACET delivered the topic in "Food Safety". After inauguration the event was started by conducting quiz, Poster presentation and Cooking without Fire simultaneously. Jury Members were assigned from other departments to judge the events. Mrs.Sumitha, AP,ISE and Mrs.Bhavana, AP, Civil judged Cooking without Fire. Dr.Naveen, Hod, Physics and Dr.Prity Kumari, Professor, MBA judged Poster Presentation. Mr.Purushothaman, AP, AIML judged Quiz. Winner and Runner up of the events was selected based on the marks awarded by the jury members. Many students participated enthusiastically and showcased their talents.

The event was concluded at 04.00pm. The event ended with the vote of thanks by Dr. Pradeep Kumar N.S., HOD, ECE, SEACET. Shields were presented to the winners of all the three events. Certificates were given to students who secured first and second place in the events Quiz, Poster presentation and Cooking without Fire. E-Certificates were provided to the participants of all the events.

Event Outcome:

- Students had a greater time in learning about Food Safety and its vital need.
- Through events students were able to showcase their talents

Name list of students participated in the Event:

Yoga Day Report 2023

Objective: To promote good mental and physical health of people through yoga. To make people aware of physical and mental diseases and its solutions through practicing yoga. To reduce the rate of health challenging diseases all over the world. Yoga good for community, immunity and unity; assumes great importance during corona crisis.

The Department of Electronics and Communication Engineering, S.E.A.CET has organized this 9th International Yoga Day on 21st June 2023. This year, the theme for International Yoga Day 2023 is 'Yoga for VasudhaivaKutumbakam,' effectively encapsulating our collective aspiration for 'One Earth, One Family, and One Future.'"VasudhaivaKutumbakam" is a Sanskrit phrase that translates to "the world is one family" in English. It is a concept rooted in ancient Indian philosophy and is often quoted as a guiding principle for promoting global unity, peace, and harmony.

Resource Persons:

Mr. Mansur Pasha is the Vice president of Karnataka Yoga Association and Founder of Chiraayu International Yoga Academy. He was associated with his team members for the session.

Summary Report on 9th International Yoga Day

International Day of Yoga is celebrated annually on 21st June since its inception in 2015. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA). Yoga is a physical, mental and spiritual practice originated in Bharat or India. The Indian Prime Minister, Shri Narendra Modi in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares special significance in many parts of the world.

Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. Today it is practiced in various forms around the world and continues to grow in

popularity. Recognizing its universal appeal, on 11 December 2014, the United Nations proclaimed 21 June as the International Day of Yoga by resolution 69/131.

The 9th International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga.

Benefits of yoga

Yoga has been studied and may be recommended to promote relaxation, reduce stress and improve some medical conditions such as premenstrual syndrome. Yoga is considered to be a low-impact activity that can provide the same benefits as "any well-designed exercise program, increasing general health and stamina, reducing stress, and improving those conditions brought about by sedentary lifestyles". It is particularly promoted as a physical therapy routine, and as a regimen to strengthen and balance all parts of the body.

Outcome of Yoga day

International Yoga Day helps to spread awareness about the physical, mental, and spiritual benefits of yoga practice. People from different age groups and backgrounds often participate in yoga sessions and workshops on this day. Yoga encourages a healthy lifestyle and can inspire people to adopt healthier habits. The day serves as an opportunity for people from different countries and cultures to come together and celebrate the common practice of yoga. International Yoga Day usually receives significant media coverage, which helps in further disseminating information about yoga and its advantages.

Proceedings of the day

The event was coordinated by Department of ECE and under the guidance and support of Dr. Bhagavanth K Deshpande Director Engg, Principal Dr.B.Venkata Narayana, HOD of ECE Dr. Pradeep Kumar NS and our Physical Trainer Mr. Manjunath R.

The inauguration started at 9:30am with a speech by the resource person about the benefits of Yoga in the present days. The yoga sessions commenced by the resource person Mr. Mansur Pasha. The crowd for the session included the students of Engineering and PU block.

They started with warm up exercises, breathing exercises. The session was carried out by the resource person and a team member. The Yoga session started with a basic introduction of Yoga, Pranayama and Dhyana and their implementation in day-to-day lives, practical demonstration of Sukshama Vyayama, Surya Namaskar, Kapalbhathi and Bhastrika Pranayama and various Asanas. All Students and Faculties from different streams are participated in the session. The whole session ended with a note saying yoga plays an important role in our day to day life.

The programme was ended with thanking all the participants.

Department of Electronics and Communication Engineering

Report on Blood Donation Camp

A blood donation camp was organized by Department of Electronics and Communication Engineering, S.E.A College of Engineering and Technology, Bangalore on 21st June, 2023 at 9:00am. It was held in the multi purpose auditorium. The guest of honor was Sri. D.T. Srinivasa (Secretary, S.E.A Group of Institutions) Smt. K. Poornima Srinivasa (Ex-MLA-Hiriyur Constituency) (CEO, S.E.A Group of Institutions). Our honorable secretary inaugurated the function by lighting the lamp and give an excellent speech.

All the preparations such as arrangement of beds, sanitation etc was made. A team of doctors and nurses from the Indira Gandhi hospital came for blood collection. Over 100 participants of our institution were donated their blood during the camp. At the end, 83 units of blood were collected. The blood donation camp continued till 3.00 pm. It successfully ended with vote of thanks.

Environmental Engineering Lab

S.No	Name of the Experiments
1.	Determination of pH and Conductivity
2.	Determination of Acidity and Alkalinity
3.	Determination of Calcium, Magnesium and Total Hardness
4.	Determination of Dissolved Oxygen
5.	Determination of BOD.
6.	Determination of Chlorides
7.	Determination of percentage of available chlorine in bleaching powder sample, Determination of Residual Chlorine and chlorine demand
8.	Determination of Solids in Sewage: i) Total Solids, ii) Suspended Solids, iii) Dissolved Solids, iv) Volatile Solids, Fixed Solids v) Settleable Solids
9.	Determination of optimum coagulant dosage using Jar test apparatus
10.	Determination Nitrates and Iron by spectrophotometer
11.	Determination of COD(Demonstration) Demonstration
12.	Air Quality Monitoring (Demonstration)
13.	Determination of Sound by Sound level meter at different locations (Demonstration)

Hydraulic and Hydraulic Machine testing Lab

S.No	Name of the Experiments
1.	Verification of Bernoulli's equation.
2.	Determination of Cd for Venturimeter and Orifice meter
3.	Determination of hydraulic coefficients of small vertical orifice.
4.	Determination of Cd for Rectangular and Triangular notch
5.	Determination of Cd for Ogee and Broad crested weir
6.	Determination of Cd for Venturiflume
7.	Determination of force exerted by a jet on flat and curved vanes.
8.	Determination of efficiency of Pelton wheel turbine
9.	Determination of efficiency of Francis turbine
10.	.Determination of efficiency of Kaplan turbine
11.	.Determination of efficiency of centrifugal pump
12.	Determination of Major Loss in Pipes
13.	Determination of Minor losses in pipe due to sudden enlargement, sudden contraction and bend.
