SEA COLLEGE OF ENGINEERING & TECHNOLOGY, BANGALORE:

Respected Sir/ Madam,

Greetings from Tata STRIVE and Anudip Foundation for Social Welfare.

Since its very initiation in the December of 2015, the partnership between Tata Communications Ltd and Tata STRIVE has been a successful one– especially towards impacting the goal of skilling underprivileged youth. However, with over 12 million youth entering the workforce every year, clearly more needs to be done.

The significance of intervening across the entire value chain of skill development for better impact was much felt by both the partners and accordingly, the scope of partnership has been further extended to include development of new courses, broaden the skill development stakeholder reach, i.e. include other skill development institutes, colleges etc.

"Institute Enrichment Programme (IEP) IGNITE in Engineering Colleges" will be implemented under the CSR Initiative of Tata Communications Ltd.

We are glad to inform you that Anudip Foundation for Social Welfare and Tata STRIVE (Tata Community Initiatives Trust) are stepping forward on a new initiative namely, **"Institute Enrichment Programme (IEP) IGNITE in Engineering Colleges"**. We would request you to take a look at the following pointers involved in the project-

The program includes unique and job-orientated courses which are a blend of domain (developed and designed by Anudip) and soft skill courses (Youth Development Module – YDM by Tata STRIVE) focusing on inner transformation and employability.It would also aid in certifying and placing the students from the shortlisted engineering colleges in Chennai, Bengaluru and Hyderabad in the year 2020 – 21.The program seeks to make a future-ready workforce of the students, while providing them a market-aligned industry-relevant training (Cyber Security with Ethical Hacking and Web Designing)

TCIT has been set up by Tata Sons to execute its group CSR Programme including environmental services, community services (which includes disaster response and Group Focus Initiatives). In keeping with the core Tata values, various Tata companies have invested significantly in initiatives aimed at improving the quality of life of the communities they serve, both at the grass-root level as well as by building institutions of national importance. Tata STRIVE, is the skill

Subject: Collaborating with Tata STRIVE to conduct "Campus Training for final year students" at SEA College of Engineering & Technology.

Tata STRIVE, the skill development initiative of Tata Trusts under *Tata Community Initiatives Trust* addresses pressing need of skilling India's Youth for Employment, Entrepreneurship and Community Enterprise.

Tata STRIVE develops courses which are in sync with the current market demand and industry requirement and looks to cater the entry level job roles.

Its holistic approach is to skill youth, enable and empower them to be more industry and job ready, which further bridges the gap of being educated but unemployed.

Tata STRIVE is keen to partner with your esteemed educational institution in this unique and empowering journey.

Tata STRIVE proposes to run **252 hrs (210 hrs Domain, 42 hrs YDM) programme** for the following target group.

- For students who are in final year of graduation

About Cyber Security & Ethical Hacking *and* Web Designing course (Domain Training)
Both the courses are developed by Anudip Foundation in collaboration.

About *Tata STRIVE – Youth Development Modules (Life Skills Training)*
The Tata STRIVE Programme seeks to develop youth holistically, by focusing on the connection between the Head-Heart-Hand. Through this program, experiences are created for beneficiaries to realize their values, beliefs and potential.

TATA COMMUNITY INITIATIVES TRUST

Tata STRIVE shall ensure Training and Certification of the youth and seeks the support of the college in following solicited areas.

a. Assigning a single point of contract (SPOC) from Institute supporting Tata STRIVE team for executing the programme.
b. Access to student data those students who are currently in the final year of graduation of the college.
c. Mobilization of final year students
d. Dedicated classroom/hall- 1/2 nos. with 35 student seating capacity
e. Projector/LCD/LED Screen and White Board
f. Access to Computer Lab with at least 8 computers with internet connection
g. Basic infrastructure (Wash rooms, Drinking Water and Electricity)
h. Support in ensuring mandatory student attendance for the proposed course (Minimum 80% as per Tata STRIVE requirements)
i. Space with high visibility for branding.
j. Placement details of students completing certification for post-placement tracking.

This Letter of Intent (LOI) is valid for a period of One Years from the date of signing, after which all terms & conditions governing this LOI shall be void unless revised or extended.

Looking forward to working with your esteemed educational institution for a larger goodwill of Empowering Youth with the Right Skills and a Bright Future.

Thanking you,

For
