**Dr. Brijesh S Yadav, Ms. Vinisha S Yadav, Sri. Rohan R
Yadav**

(Trustee Members S.E.A Group of Institutions)

Dr.Bhagavant K Deshpande

Director(Engg), S.E.A College of Engineering and Technology

Dr. B. Venkata Narayana

Principal (Engg)

Dear
SOUTH EAST ASIAN EDUCATION TRUST
SEA College of Engineering & Technology
Ekta Nagar, Basavanapura, Virgonagar Post
BANGALORE - 560-049

Organized by: SEA GOUF OF INSTITUTION

Date: 26th JANUARY 2024

Time: 9: A.M.

Venue: Ground, SEACET.

Introduction: SEA Engineering College celebrated the 75th Republic Day of India with great fervour and enthusiasm. The celebration aimed to instil a sense of patriotism and unity among the students, faculty, and staff while honouring the principles enshrined in the Indian Constitution.

Flag Hoisting Ceremony: The day commenced with the traditional flag hoisting ceremony in the college premises. The national flag, symbolizing the sovereignty and integrity of the nation, was unfurled by the Chief Guest, Mr. PUTTANNA, a distinguished personality in the field of education Minister and social reform. The entire college community stood in solemn reverence as the national anthem echoed through the campus, evoking a sense of pride and solidarity.

Cultural Performances: Following the flag hoisting ceremony, the campus came alive with a plethora of cultural performances showcasing the rich diversity of India. Students from various states and cultural backgrounds came together to present an array of vibrant dances, melodious songs, and captivating skits, highlighting the unity in diversity that defines India. The performances not only entertained but also educated the audience about the cultural heritage and traditions of different regions across the country.

Guest Lectures and Discussions: As part of the Republic Day celebrations, guest lectures and panel discussions were organized to delve deeper into the significance of the day and its relevance in contemporary times. Eminent speakers, including scholars, activists, and policymakers, shared their insights on topics such as democracy, social justice, and nation-building. The interactive sessions provided a platform for intellectual discourse and critical reflection, empowering students to become informed and engaged citizens.

Community Outreach Activities: In line with the college's commitment to social responsibility, various community outreach activities were conducted as part of the Republic Day celebrations. Students and faculty members volunteered for initiatives such as blood donation drives, cleanliness campaigns, and educational outreach programs aimed at serving the local community and fostering a spirit of civic engagement.

Conclusion: The Republic Day celebrations at SEA Engineering College were not just a commemoration of a historic event but a reaffirmation of the values that bind the nation together. Through a blend of ceremonial rituals, cultural festivities, intellectual exchanges, and community service initiatives, the college paid homage to the ideals of liberty, equality, and fraternity enshrined in the Indian Constitution. As the tri-colour flag fluttered proudly in the breeze, it served as a reminder of the sacrifices made by the freedom fighters and the collective responsibility of every citizen to uphold the democratic ethos of the nation. The event concluded with a renewed sense of patriotism and commitment to contribute towards building a brighter and more inclusive India.

S.E.A College of Engineering and Technology marked the auspicious occasion of the 76th Independence Day with a jubilant and meaningful celebration, reverberated with both patriotic zeal and cultural grandeur. The event commenced on a solemn note with a dignified flag hoisting ceremony led by the esteemed CEO of SEA Group of Institution Smt. K. Poornima Srinivasa in the presence of the chief guest Dr. Venkkatesh Raikar, Academic Advisor SEACET, Sri. D. T. Srinivasa, Secretary SEA Group of Institution, Smt. K. Anupama Joint Secretary SEA Group of Institution, Dr. Brijesh S Yadav Trustee SEA Group of Institution, Ms. Vinisha S Yadav Trustee SEA Group of Institution, Mr. Rohan R Yadav Trustee SEA Group of Institution followed by march past which created a Patriotic ambiance on the premises. The unfurling of the tricolor flag served as a poignant reminder of the immeasurable sacrifices made by India's valiant freedom fighters in their unwavering pursuit of liberty. The hoisting of flag is followed by various cultural programmes, recitation of patriotic songs and stage performance based on historical events. Students dress up as revolutionaries and nationalist leaders.

The commemorative affair blossomed into a captivating showcase of artistic prowess by the college's vibrant student body. A spellbinding drama performance took center stage, masterfully reenacting pivotal junctures from India's storied history. Through their meticulously choreographed movements, the students skillfully evoked the trials, triumphs, and pivotal milestones that have intricately woven the fabric of the nation's collective identity.

Celebrating the nation's rich tapestry of diversity and unity, the festivities continued with exuberant folk dances. These enchanting performances transported the audience on a cultural dances across the various regions of India, where the rhythmic footwork and resplendent costumes painted a vivid tableau of the country's cultural heritage.

The artistic panorama expanded as talented students graced the stage with emotive solo and group dance and vocal performances. The melodies that resonated through the air were not only infused with patriotic fervor but also harmoniously encapsulated the coexistence of diverse musical traditions within India.

In culmination, South East Asian College of Engineering and Technology 76th Independence Day celebration emerged as an eloquent tapestry interwoven with patriotic pride and a celebration of cultural diversity. The amalgamation of performances and speeches eloquently demonstrated the university's unwavering dedication to nurturing holistic individuals who are not only academically astute but also deeply ingrained in their cultural heritage and globally conscious.

This spirited conclusion encapsulated the essence of the entire celebration  a harmonious

blend of cultural richness and shared joy that echoed the college's commitment to fostering a vibrant and inclusive community. The memories forged on this momentous day will undoubtedly serve as a wellspring of inspiration for all, spurring them to continue upholding the nation's growth, prosperity, and unity.

Date: 9th Feb 2024

Time: 10:00 A.M.

Venue: A.C Seminar Hall

SEACET Research Cell, has conducted a one-day workshop on Intellectual property rights on 9th Feb 2024 at AC Seminar Hall. The workshop was about "IPR – Ecosystem". 35 students across the college have actively participated in this workshop. The workshop was started by the inauguration session. The workshop was inaugurated by honourable principal Dr. B. Venkata Narayana & the guest of honour Mr. Nagarjun MG Project Associate, Coordinator, Kiran IPR Program, TISC, KSCST, IISC Campus, Bengaluru.

The speaker & the guest of honour was Mr. Nagarjun MG, Karnataka State Council for Science & Technology. The introductory session was taken by the speaker. In this session, a complete introduction on intellectual properties, intellectual property laws & their clauses. In this session, the students were taught about the Intellectual Property Rights & their principles. Also the students were given enough information about how to use this knowledge to proceed forward in a startup company. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system. A complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc was given. Also the speaker explained the difference between these topics, also the validity for each right, judicial laws available under each right & the limitations of each right. Also the students were needed to inculcate how the students can use the above taught intellectual property rights, claim the benefits & get security in their startups.

Dr. Shivanna DM delivered the session on IPR Management for startups. Resource person has enlightened the differences and comparisons among copyright Vs. Trademarks and Patents Vs. Designs. The topics on SWOT analyses and IPR policies recommendations have given more ideas to institutes towards the patents managing process. Dr. Shivanna also IPR delivered session of the workshop with a focus on Start-up. Expert has clearly explained the entire patent filing and grating

Celebrating
WORLD ENVIRONMENT DAY
on JUNE 5th 2023

Activities Organized

On Monday 5th June 2023 our college organized a program on the world Environmental day. All students and faculty members have participated with full energy in this program. Our honorable guests were also present at the program.

Before that week student are did so many works they are all made the badges by our own creation and slogans charts was did by our institution students and our MBA Department students, coordinators, HOD and Assistant professors also we all together only we did work for the celebrating the environmental day.

The objectives of this program is to spread awareness among people about saving our Environment from various types of pollutions and to plant more and more threes to make our mother earth full of greenery.

Our program started with prayer at 09:00 A.M after that all students and faculty both together are went to rally for spreading the awareness of the environment after that all the students were came to the campus ground for the program. Our honorable guests speech about how the condition of our Environment today and why we need to be aware. He also tells us what steps we should take immediately so that we can make our environment healthy. After the speech student are perform

the script about Environment day at the end. We took the group photos with our teachers and honorable guests.

OBJECTIVES OF THE PROGRAM

- ❖ The objectives of this program is to spread awareness among people about saving our Environment from various types of pollutions and to plant more and more trees to make our mother earth full of greenery.
- ❖ World environment day is celebrated to make people aware about the environment.
- ❖ Effort are made to bring communities, industries and other people together to save the environment.
- ❖ The purpose of this day is to take attention to environmental issues and not take nature for granted
- ❖ The event obliges everyone to consider newer approaches to minimize resource consumption, create greener models, become more sustainable, train and motivate youngsters to live in harmony with nature, and for them to become custodians of a green future.

OUTCOMES OF THE PROGRAM

- The whole idea of world Environment day is to create a natural and beautiful world free pf pollution or any other scarcity of natural resources. One should always be conscious on their activities and strive to keep our surrounding clean and healthy, protect the natural resources and use them in an efficient and careful manner. Banning plastic, recycling, saving water, plant more trees, saving wild life and animals are some of the steps which led as to better environment.
- Planet earth is a beautiful place but we human being have destroyed it for our selfish needs which has led to pollution, scarcity of water, untidiness etc.....
- Exploitations against it is also familiar to us. If we do not take proper steps to save the natural resources, everything will delete one day and we will be life nothing like water, pure and fresh air.
- It is our responsibility to save our mother nature and protect it from pollution and other which will lead us to a healthy future and as well as a healthy life.
