### **Report on Industrial Visit to KMF Kolar**

The Department of MBA arranged an Industrial visit to KMF, Kolar on May 3<sup>rd</sup>, 2024. 41 students along with 4 staffs started the journey around 9a.m.

#### **Objectives:**

- To gain knowledge on Organisation set up
- To acquire knowledge on the production process of dairy products
- To observe the employee behaviour and satisfaction in the company.

The Kolar Chikkaballapura Milk Union Ltd. (KMF) is a vital cooperative institution in the dairy sector, dedicated to the welfare of dairy farmers and the production of quality dairy products. Established to empower local dairy farmers and ensure fair pricing for their produce, KMF has played a pivotal role in transforming the dairy industry in the region.

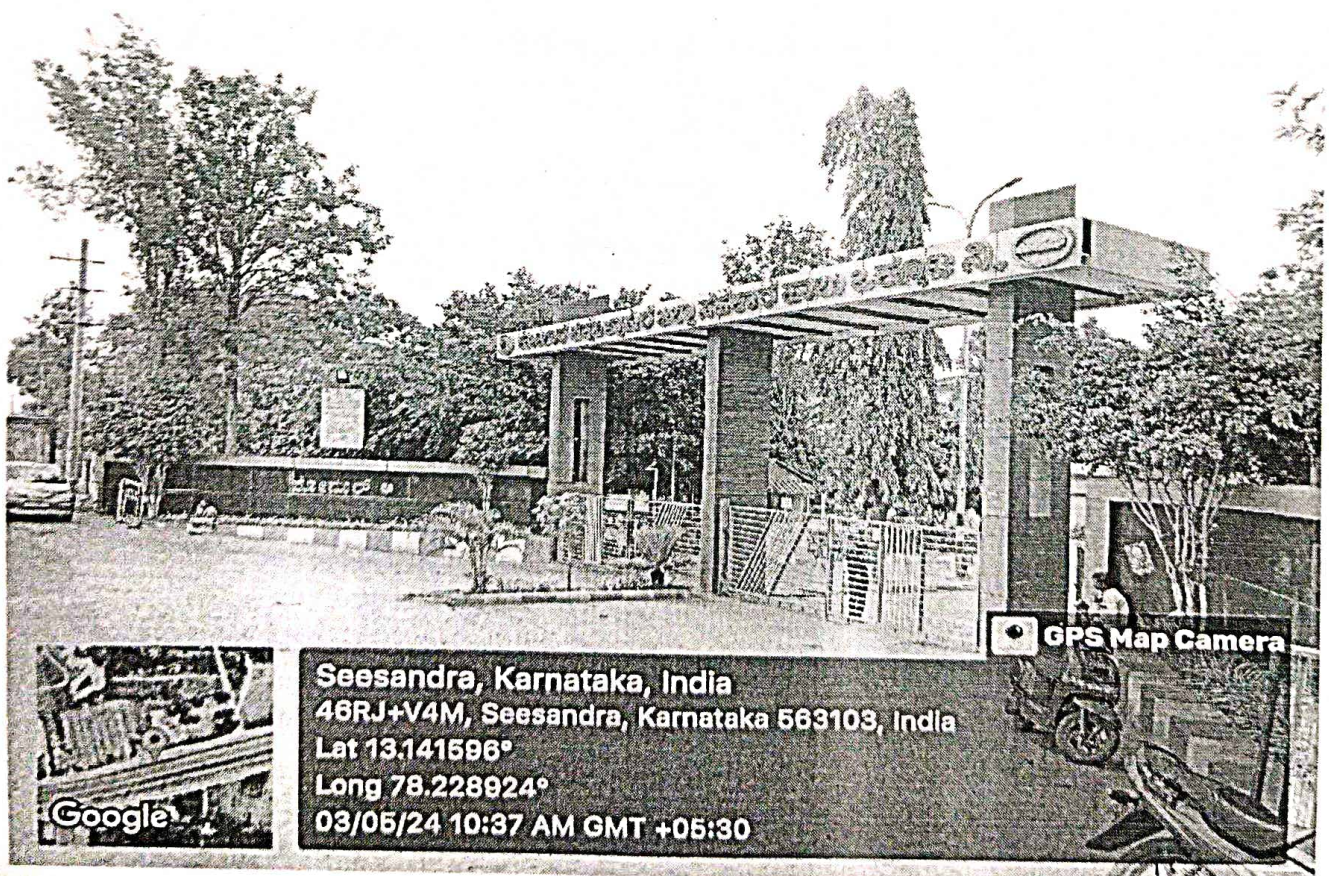

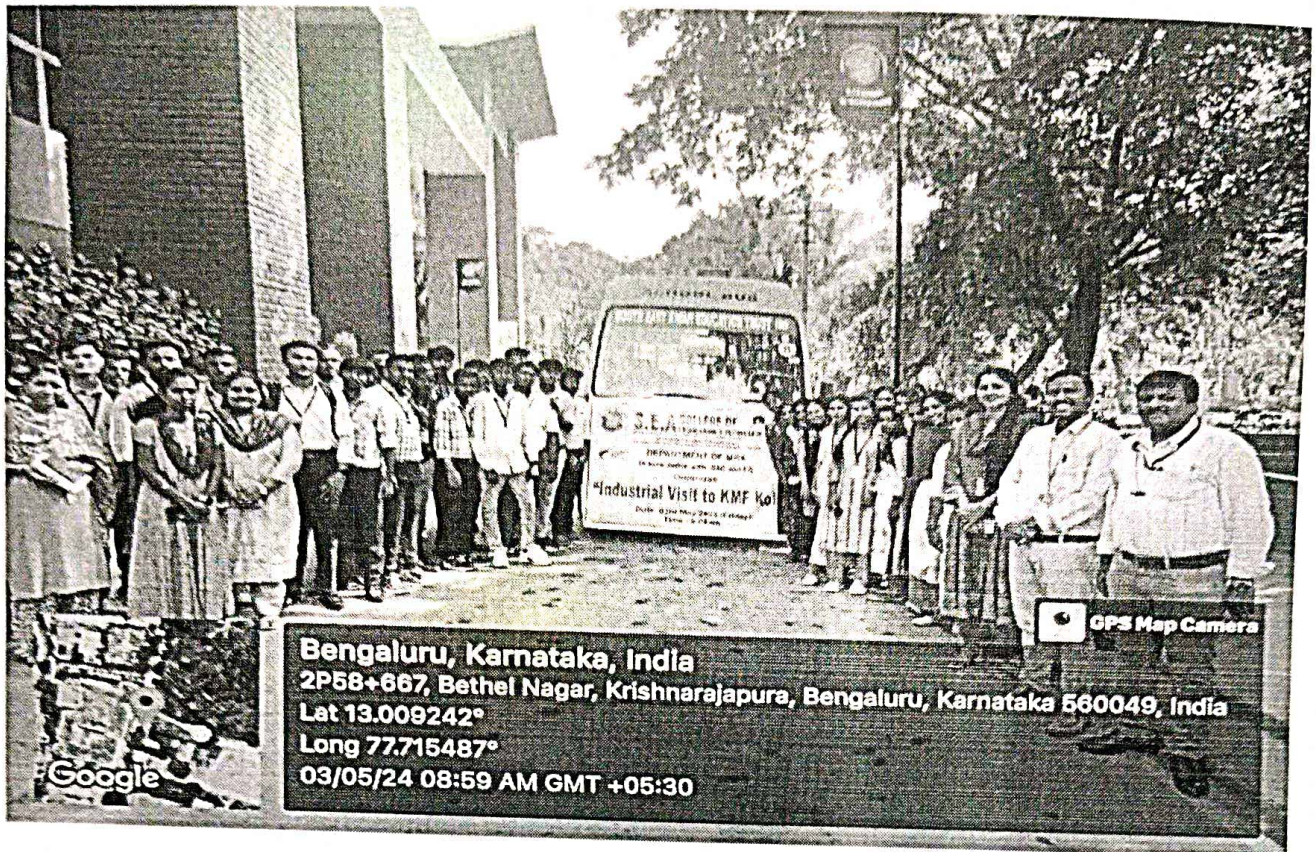

#### **OBSERVATIONS:**

A staff named Mr. Vinod guided the students for the internal visit.

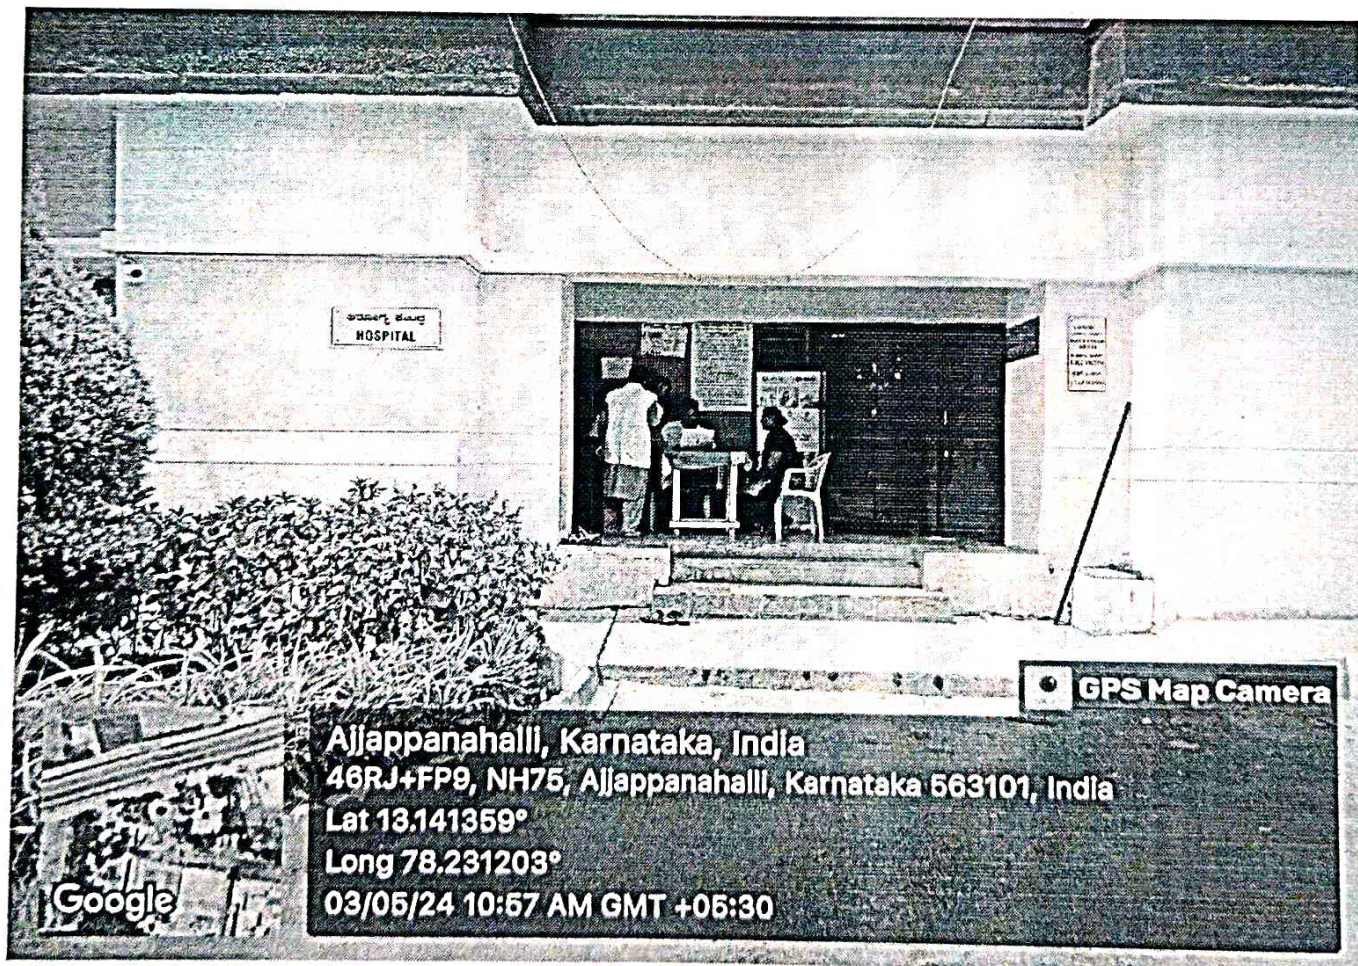

- First, he gave introduction to milk, milk products and importance in life.
- He took the students to the milk collection unit, where it is pasteurized and collected in packets.
- Then he took the students to the curd section, then to ghee section and then to cheese section.
- Finally the students observed how packing and labelling is done before the dispatch section.

It has been observed that the employees as well as the visitors are following the safety norms of the company as well as the employees are well satisfied by availing good facilities like canteen, hospitals etc., The employees are provided by good basic facilities. Most of the employees are from the local surroundings.

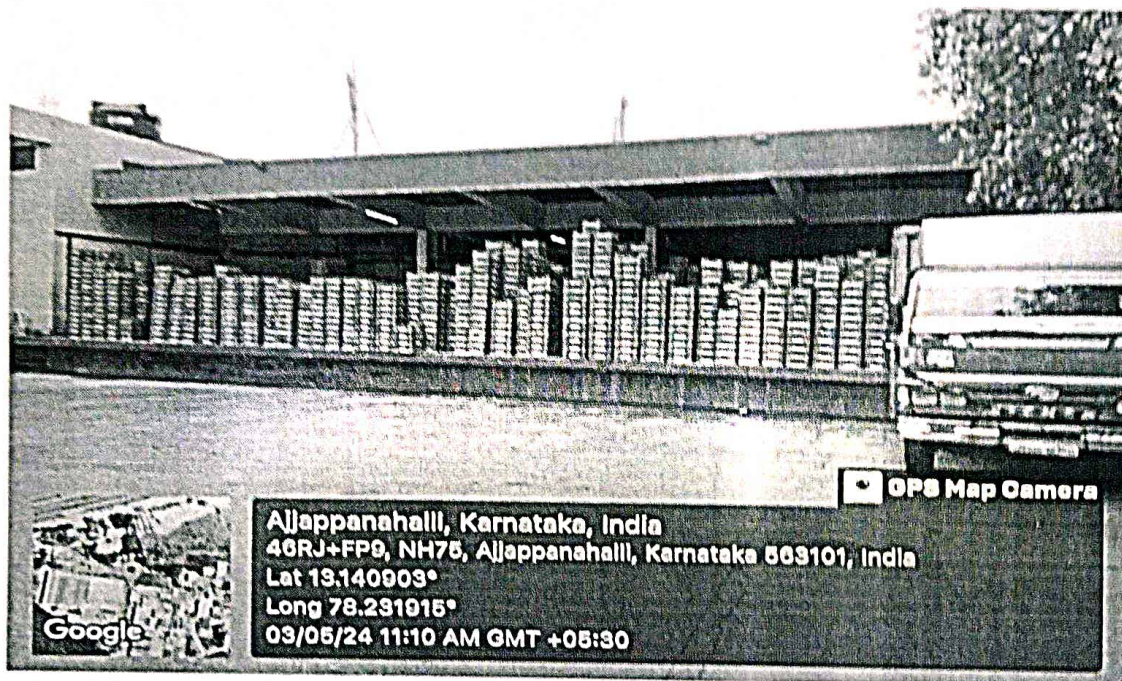

## OUTCOME

- Students observed the organisational set up
- Students gained the knowledge on how the dairy products are produced.
