

Department of Basic Science

REPORT ON PLANTATION 2024

Organized by: Basic Science Department

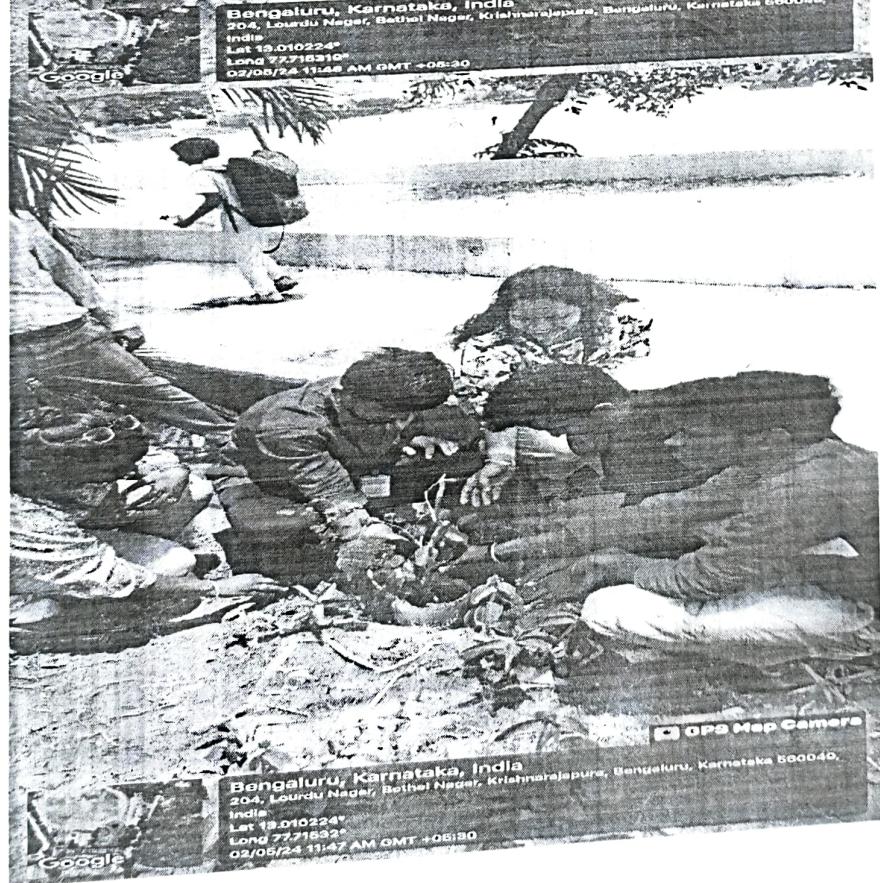

Date: 2ndMay 2024

Time: 11:00 A.M.

Venue: S.E.A Campus

Green campus is a place where environmental friendly practices and education combine to promote sustainable and eco friendly practices in the campus. Trees are part and parcel of our life. So it is our duty to plant more trees and take care of them in order to maintain balance between man and nature. To make the country economically developed and to save the globe from green house effect, we should plant trees on a large scale. So the Basic Science Department conducted a programme called “Plantation” on 2nd May 2024.

Tree plantation program was inaugurated by planting a sapling by of honorable principal with well worshiped in the name of god facility, HOD’s, students. All are actively participated in the program and many trees were planted at varies places with in campus. On this occasion everyone pledged to take responsibility to increase the Maximum number of saplings. faculty motivated all the students to plant trees explaining the importance of nature from trees. Students were then assigned as guardians of one plant each where in they will look after these plants as they grow and make sure that the plants are being watered regularly and cared for. Planting more trees can be a small step towards protecting the environment.
