**“A Seminar on Project Management for the Career Growth”**

**Organised by**  
**Department of Civil, Mechanical Engineering & MBA Department**

**In association with : IQAC and IIC**

**Date 19/04/2023**  
**Time- 10.00am to 1.00pm**  
**Venue- A/C Seminar hall.**

**Dr. Sundaresha S D**  
BE, ME, Ph.D (Lean Mgt.)  
Consultant, Trainer, Techno-management  
Project advisor, VQMI Certified Lead auditor

**INSTITUTION'S INNOVATION COUNCIL**  
(Ministry of HRD Initiative)

### OBJECTIVES OF THE EVENT:

- Understanding project management: The seminar provided participants with a clear understanding of what project management is, its principles, methodologies, and best practices.
- Enhancing project management skills: The seminar aimed to improve the skills of the participants in areas such as planning, scheduling, risk management, and communication.

- **Networking:** The seminar provided opportunities for participants to network with other professionals in their field, which can lead to potential job opportunities and collaborations.
- **Professional development:** The seminar helped participants develop their professional skills and gain knowledge that can enhance their career growth.
- **Applying project management in the workplace:** The seminar helped participants apply project management techniques to their current or future projects, improving their efficiency and effectiveness.
- **Keeping up-to-date with industry trends:** The seminar provided insights into emerging trends and new developments in project management, enabling participants to stay up-to-date and relevant in their field.

Overall, the objective of the seminar provided participants with the necessary knowledge, skills, and tools to manage projects effectively, which can lead to career growth and success. As seminar started faculties, students and other participants were treated with tea and biscuits. Dr. Sundaresha shared his inspiring story on how he got job in abroad and how he answered the question why should I hire you? With his self confidence, he said he is ready to work for two months without any salary and the interviewer can confirm his job position after two months, with his hard work, dedication, and self confidence he got the job. Dr. Sundaresha also shared the motivational new record by The East Coast railway one of the blue chip zones of Indian Railways that created a record by completing a subway construction at a busy railway track between Pendurthi and Kothavalasa line in Andhra Pradesh in less than 5 hours, without stopping a train. He further highlighted on how Civil engineers, Mechanical engineers, and Management all were involved in completing the task. It was a team effort which broke the record. Overall, the seminar provided valuable insights into the field of project management and highlighted the importance of this discipline in career growth. Students left the seminar with a greater understanding of the key concepts and techniques of project management and were motivated to apply these skills in their own professional lives.

Snaps from the event are presented below

The seminar ended by 1.00 pm on 19 April, 2023. The event was ended with the vote of thanks Dr. S. Anil Kumar, HOD of MBA and all the head of the departments gathered on Dias, to adorn Dr. Sundaresha with Garland and silk shawl which were provided to him as a gesture of facilitation.

### **Outcome of the event:**

- Improved understanding of project management principles and techniques.
- Development of new skills: The seminar provided participants with opportunities to develop new skills related to project management, such as communication, leadership, and problem-solving.
